

## IKO Paving Support Pads

### Product details

IKO Paving Support Pads incorporate spacing nibs to maintain a consistent drainage gap between pavings. They are easily divided into halves and quarters, for use at edges and corners of paved areas. IKO Paving Support Pads are primarily for use on consistent and level flat roof areas.

### Features & Benefits

- Can be stacked to allow a space beneath the paving
- Manufactured from heavy duty, chemical resistant, solid polypropylene
- Adjustable IKO Paving Support Pads are available

### Product Variations

SKU	Diameter (mm)	Height (mm)	Product colour
32300011	150	15	Black
